

City of Somerville Community Choice Electricity Program

Mayor Katjana Ballantyne

The City of Somerville undergoes a competitive process to select the source and cost of electric supply provided to residents and businesses.

PROGRAM BENEFITS

- Receive stable, competitive pricing*
- Promote regional, zero carbon, renewable energy generation and job creation
- Renters paying electric bills can participate without landlord permission
- Utility discount recipients still save 36% on electric bills

**Future savings cannot be guaranteed due to Basic Service rate changes every 6 months for residential and commercial customers and every 3 months for industrial customers.*

WHAT HAPPENS AFTER ENROLLMENT?

Monthly billing from Eversource continues.

Same level of service. Continue to contact Eversource for any service issues.

More clean, local renewable energy utilized for electricity generation.
